

BUSINESS

Integrated Masters

UNIVERSITY
OF WOLLONGONG
AUSTRALIA

This four-year study option combines an undergraduate degree and a postgraduate degree to allow you to complete both degrees within a shorter timeframe. The degrees are completed consecutively, so that after successful completion of the Bachelor's degree, you will receive a transfer of course credits that will allow you to complete your Masters degree in a shorter time, and for less cost.

After completing your undergraduate degree, you will have an opportunity to study your postgraduate degree at Wollongong or the Sydney CBD campus at Circular Quay.

INTEGRATED MASTERS COURSES COMBINATIONS

DURATION 3 YEARS		DURATION 1 YEAR
Bachelor of Commerce	+	Master of Business
Bachelor of Business	+	Master of Business
Bachelor of Commerce (Supply Chain Management)	+	Master of Science (Supply Chain Management or Project Management)

BACHELOR OF COMMERCE

CRICOS 027464A

DURATION 3 years

CAMPUS Wollongong

IELTS Overall 6 (R:6, W:6, L:5, S:5)

STARTS Autumn (February) & Spring (July)

Majors: Accountancy, Business Law, Economics, Finance, Financial Planning, Human Resource Management, International Business, Management, Marketing, Public Relations, Supply Chain Management.

The degree offers a foundation year that covers all core disciplines of business, giving students a solid understanding of issues facing business today. The degree is designed for students who would like to major in one or more of the principal areas of commerce. You will receive relevant industry-driven content and a firm foundation in the principles of ethical commerce, preparing you to succeed in your chosen career, and for the next generation of leadership roles.

BACHELOR OF BUSINESS

CRICOS 075096M

DURATION 3 years

CAMPUS Wollongong

IELTS Overall 6 (R:6, W:6, L:5, S:5)

STARTS Autumn (February) & Spring (July)

The Bachelor of Business provides you with the knowledge and experience to move into many types of business careers such as international business, finance, public relations, management and marketing. You will develop a comprehensive knowledge of business and organisations, and the skills to analyse business issues in local, national and international contexts.

MASTER OF SCIENCE (SUPPLY CHAIN MANAGEMENT OR PROJECT MANAGEMENT)

CRICOS 042635F

CAMPUS Wollongong or Sydney CBD

DURATION 1 year (1.5 years without Integrated Master Option)

STARTS Trimesters 1 (February), 2 (May) and 3 (August)

This degree will give you the knowledge and skills to succeed in a rapidly changing business environment in logistics, supply chain management, project management, and operations management. Logistics/ Supply chain management enables you to successfully manage the flow of materials and information within and between organisations and other relevant stakeholders. Project Management will equip you with the skills and knowledge to deliver on large scale projects as well as continuous improvement within an organisation.

MASTER OF BUSINESS

CRICOS 082826A

CAMPUS Wollongong or Sydney CBD

DURATION 1 year (1.5 years without Integrated Masters Option)

STARTS Trimesters 1 (February), 2 (May) and 3 (August)

Specialisations: Financial Management, Human Resource Management, International Business, Management and Marketing.

This degree is suitable for managers and middle managers seeking to further their career in a specialised field of business. Theoretical and practical knowledge and skills are developed through the study of foundation subjects, specialisation specific core subjects and electives. The specialised knowledge and skills are consolidated through the completion of an industry based research project.
